

Powerstock Church of England Voluntary Aided Primary School

Our Aims and Values

We aim, within our Christian School Community:

1. To create a happy, caring and positive environment where all children feel valued and respected.
2. To provide a broad and balanced curriculum that is imaginative, creative and stimulating.
3. To encourage every child to improve themselves and seek new areas of learning.
4. To encourage all children to be confident, independent and happy individuals who have a positive outlook on life and learning and to appreciate beauty wherever they find it.

At Powerstock School we value:

1. Every child as an individual.
2. Our links with our Church and Community.
3. High quality teaching and learning.
4. Governor, parents, pupils, staff and the community working in partnership.
