

In April 2013, the Department for Education, Health and Culture, Media and Sport announced new funding of £150 million to support the delivery of PE and school sport. Funding is being allocated to all state-maintained secondary, primary, middle and special schools (including non-maintained special schools), academies and pupil referral units with primary aged pupils for the period September 2013 to 31st August 2014 and from 1st September 2014 to 31st August 2015. Our school will be receiving £7720 in two installments.

We are using our Sport Premium to improve the quality of PE and Sport provision in the following ways:

- Supporting regular sport tournaments, festivals and competitions for pupils of all ages.
- Subsidising the cost of after school sports clubs.
- Installing new playground markings for the new Tarmac area so that the children can develop their skills further in PE lessons, especially net games.
- Hiring professional sports coaches through Go - Active to teach the children different sports during curriculum time and providing after school clubs.
- Purchasing more sports equipment for use during playtimes.
- Providing a wider range of physical activities.
- Purchasing specialist equipment to develop non traditional activities such as circus skills.
